Praise the Lord!

Praise the Lord!

Praise the Lord!

The Lord has done great things at Transforming Ministries and Hope, Inc since we last communicated.

The church building has improved greatly with new doors (thanks to donor, Ida Stevenson). The sign for the church is up (thanks to donor, B. Cato Mayberry). The baptismal pool will be ordered next month (thanks to Little Rose Turner & Family). We are also grateful to Sister Carolyn Jackson for all of her services that are donated to the ministry as she continues to serve as Administrative Assistant to the pastor and also make generous donations to the ministries.

I am serving as a minister with the Interdenominational Ministers Alliance, and also an advisory board member with the Mary Scott Nursing Home and Miami Valley Hospital Pastoral Care and Counseling. I have also accepted a position with the United Theological Seminary as a Mentor to the doctoral students in the Pastoral Care and Counsel-

ing Program. So you see, we are moving by the grace of God to do many things in different ways for the Lord.

We are also moving ahead with faithful commitment to serve the children of incarcerated parents through our relationship with Unified Health Solutions. We agree to mentor children four times per month for one year. During that time, we offer them support in their efforts to improve as students and as individuals.

We continue to need the support of donors to be able to offer greater activities and opportunities to our mentees. We are asking donors to go to our websites and make donations by "PayPal" for at least \$1.00 per day for the year. If donors are able to do more, we accept it with great appreciation. All donations go to the ministries completely. We have a complete volunteer staff to run our programs.

Our goal is to evangelize the community to lead people to Christ and to build our church membership. In addition, we want to mentor at least 40 children during the 2008-9 school year. We need volunteers to make contact with us via the website www.transformingministries.org, or call the church at: 937 268-2663 to serve as mentors. The training to become a mentor requires two sessions of about two hours and a background check with the state and federal authorities. The children need you!!!!

We will be celebrating our first

church anniversary on September 14, 2008 and all are welcome to attend. We will begin at 3:00 pm and conclude at 5:00 pm with refreshments and fellowship. Please continue to pray for our ministries and our mission as we respond to the "call of Christ to use our gifts to help others and transform people into a community of love."

Prayerfully Yours,

Pastor Jerome P. Stevenson, Sr.
